Tech Tip #69 – Table Is Missing in idocVAULT

****These settings and features may not be available for all clients. If you do not see them, please contact your solution provider.****

If there is a table in 2020DOC that you cannot see in idocVAULT, it may not be set up to be visible for the website.

To fix this issue:

- Log into 2020DOC as an Administrator.
- Select **Manage**. From the drop-down list that appears, select **Tables**.

- Select **Edit Table**.
- Choose the desired table from the drop-down list.
- Toward the bottom of the window, check the box labeled **Make available to web users**.
