

## Tech Tip #59 eDOCSignature Template Recognition

***\*\*These settings and features may not be available for all clients. If you do not see them, please contact your solution provider.\*\****

With eDOCSignature's Template Recognition, when you upload a document that closely matches a template you have created, eDOCSignature will prompt you to apply the existing template! If you want to apply the template to your newly uploaded document, simply click "Yes"!

Package Name:   Add to existing Package

---

**Documents to Sign** 

 Custom Form

**Customized Form Recognized as Similar to an Existing Template**
